

I have worked many homework problems and have made videos (with voice explanations). Please check to see if I have worked your homework problem already. If you need a new homework problem worked, please send me an email request.

I will send you a link to this document if you ask for a problem that I have already worked out.

Here is how to access the Tegrity Videos.

1) Log in to MyBama. Your MyBama screen will look a little different, but search for the BlackBoard Learn Area similar to that shown below and click on the course. Depending on the semester, the course number may change slightly.

The screenshot displays a Blackboard Learn interface. At the top, there is a search bar with the text "Search (MM/DD/YYYY): 01/25/2015" and a "Go" button. Below the search bar, a calendar icon is followed by the date "Jan 25, 2015". Underneath, there is a section titled "Unassigned Meeting Times:" with three links: "AEM-699", "AEM-599", and "AEM-649". A "Weekly View" link is located at the bottom right of this section. To the right of the search bar, there is a "OIRA Reso" button with a circular icon. Below the search bar, there is a "Blackboard Learn" section with a "Courses" heading. Under "Courses", there is a dropdown menu for "2015, Spring" which is expanded to show a list of courses: "201510-AEM-250-001", "201510-AEM-649-001", "201510-AEM-649-996", "201510-AEM-251-001", "201510-AEM-251-002", "201510-AEM-251-003", and "201510-AEM-251-004". The course "201510-AEM-250-001" is circled in red, and a red arrow points to it from the right. Below this list, there are several other semester options: "2014, Fall", "2014, Summer", "2014, Spring", "2013, Fall", "2013, Summer", "2013, Spring", and "Other Courses". At the bottom of the screenshot, there is a "Faculty Teaching" section with a list of links: "Testing Services", "Faculty Services", "Faculty Resource Center", "Center for Instructional Technology", and "Teaching Resources".

2) In the BlackBoard Learn section for the course, click on the Tegrity Classes link. For me, this shows up on the left. Your screen may look a little different, since I have some instructor options.

The screenshot displays the Blackboard Learn interface for a course. The top navigation bar includes the Blackboard LEARN logo and a 'My Alerts' link. The left sidebar, under the heading '201510-AEM-250-001', lists various course management options. The 'Tegrity Classes' link is highlighted in red and circled in blue. The main content area is titled 'My Alerts' and contains several sections: 'My Announcements' (no announcements in the last 7 days), 'My Tasks' (no tasks due), 'What's New' (no notifications), and 'Needs Attention' (no notifications). A right sidebar shows 'To Do' and 'Alerts' sections, with 'Alerts' listing '201510-AEM-250-001'.

Navigation Menu (Left Sidebar):

- 201510-AEM-250-001
- Course Home Page
- My Alerts
- My Grades
- Tool Panel
- Blackboard Help
- Tegrity Classes**
- COURSE MANAGEMENT
- Control Panel
- Content Collection
- Course Tools
- Evaluation
- Grade Center
- Users and Groups
- Customization
- Packages and Utilities
- Help

Main Content Area (My Alerts):

- My Announcements:** No Course or Organization Announcements have been posted in the last 7 days. [more announcements...](#)
- My Tasks:** My Tasks: No tasks due. [more tasks...](#)
- What's New:** Edit Notification Settings. No Notifications. Last Updated: January 25, 2015 2:58 PM.
- Needs Attention:** Edit Notification Settings. No Notifications. Last Updated: January 25, 2015 2:58 PM.

Right Sidebar (To Do and Alerts):

- To Do:** Edit Notification Set, What's Past Due (All Items (0)), What's Due (Select Date: 01/25/20), Today (0), Tomorrow (0), This Week (0), Future (0).
- Alerts:** Edit Notification Set, Past Due, Retention Center Ale (201510-AEM-250-001).

3) You will see a list of lecture supplements and homework problems. Click on a homework problem video—for example, AEM 250 Problems 2.12-3, 2.12-6.
